The Compressor Service Techniek website uses cookies. These are small files that are stored on your computer. In our case, these cookies are intended to serve you as well as possible via this site.

This website places a cookie from Google Analytics. We use this service to keep track of how visitors use the website and to improve the website for users based on this information. Google can provide this information to third parties if Google is legally obliged to do so, or if third parties process the information on behalf of Google. Compressor Service Technology has no influence on this.

We have not allowed Google to use the obtained information for other Google services or benchmarking. The information that Google collects is anonymized as much as possible. Your IP address is expressly not provided.

This website includes buttons to promote or share pages on the social networks Facebook and Twitter. These social media buttons work with cookies from third parties (Facebook, Twitter). However, these cookies are only placed when you click on these links.

You can disable the cookies via the browser. The Consumers' Association has made a step-by-step explanation available online.

Please note: when you refuse and / or delete cookies, you cannot always use all the possibilities of a website. In addition, refusing or removing cookies only has consequences for the computer and browser on which you perform this action. If you use multiple computers, public PCs and / or browsers, repeat the above operation (s) as often as necessary.

The information on this website has been compiled with the utmost care. Nevertheless, it is possible that there are imperfections in the information. If this is the case, we would appreciate it to be made aware of this via info@cst-schiphorst.nl.
